RE: Case number 2005-00387
Bluegrass Wireless, LLC

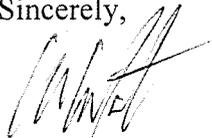

As property owners in the area affected by the proposed cell tower, we would like to voice our opposition to the application made by Bluegrass Wireless, LLC.

The property we have in this area would likely lose value if this new cell facility were approved. It will be difficult to sell potential clients on space with an unsightly view of a cellular tower.

Our current tenants have voiced concerns regarding the building of this tower as well. They are concerned that this tower will have a negative affect on their present and future customers.

Please intervene and do not allow Bluegrass Wireless, LLC to erect a tower in this area.

Sincerely,

Mike Whitaker, President
